

# Laura Sumner

## Queen's University

Laura is entering her second year of law school at the Faculty of Law at Queen's University. She is interested primarily in criminal law and hopes to pursue a career in the criminal justice field. Laura was a 1L executive on the Criminal Law Club and will be the incoming president of the club this September. She also pursued a PBSC project with the Elizabeth Fry Society with the goal of increasing access to Gladue and played on the Queen's ringette team. In September she will be taking on the role as a caseworker with the Queen's Prison Law Clinic.

Laura received an Honours Bachelor of Arts from the University of Guelph majoring in Criminal Justice and Public Policy and minoring in Psychology. During her undergrad she spent her time volunteering with the Student Accessibility Services department and playing ringette.

During her free time Laura loves camping and hiking. She is planning to tackle Killarney's La Cloche Silhouette Trail this summer!

Laura is extremely grateful to receive a Torys Public Interest Summer Award sponsored by Torys LLP.
